SIR

Subject

Gift of the abandoned water tank site in Upparakere Shimoga to the Basavanna Temple

***

In forwarding herewith Shimoga Municipal President's report No E To 622/D 2-2-1935 with its enclosures I have the honour to state that the Shimoga Town Municipal Council in their meeting held on 14-1-1934 resolved on the suggestion of the Dewan Saheb during his tour in March last year to grant free of cost the abandoned water tank in the Upparakere Shimoga Town after demolishing it to the Basavanna Devaru Temple on condition of the area being used as a flower garden and the bricks for putting up a compound wall The President reports that according to the above resolution the water tank has been demolished and the area cleared and that the site measures 114 Square Yards

Under the circumstances reported I request you to kindly obtain the sanction of Government to the proposal of the Council for making a free gift of the tank site to the Temple

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner

23 The Municipality shall not construct any telephone wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

24 The Municipality shall not construct any telegraph wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

25 The Municipality shall not construct any radio wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

26 The Municipality shall not construct any television wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

27 The Municipality shall not construct any satellite wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

28 The Municipality shall not construct any microwave wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

29 The Municipality shall not construct any fiber optic wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

30 The Municipality shall not construct any laser wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

31 The Municipality shall not construct any infrared wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

32 The Municipality shall not construct any ultraviolet wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

33 The Municipality shall not construct any X-ray wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

34 The Municipality shall not construct any gamma ray wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

35 The Municipality shall not construct any cosmic ray wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

36 The Municipality shall not construct any neutrino wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

37 The Municipality shall not construct any graviton wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

38 The Municipality shall not construct any tachyon wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

39 The Municipality shall not construct any quark wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

40 The Municipality shall not construct any lepton wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

41 The Municipality shall not construct any boson wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

42 The Municipality shall not construct any fermion wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

43 The Municipality shall not construct any hadron wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

44 The Municipality shall not construct any meson wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

45 The Municipality shall not construct any baryon wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

46 The Municipality shall not construct any lambda wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

47 The Municipality shall not construct any sigma wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

48 The Municipality shall not construct any xi wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

49 The Municipality shall not construct any omega wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

50 The Municipality shall not construct any phi wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

51 The Municipality shall not construct any psi wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

52 The Municipality shall not construct any upsilon wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

53 The Municipality shall not construct any zeta wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

54 The Municipality shall not construct any eta wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

55 The Municipality shall not construct any theta wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

56 The Municipality shall not construct any iota wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

57 The Municipality shall not construct any kappa wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

58 The Municipality shall not construct any lambda wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

59 The Municipality shall not construct any mu wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

60 The Municipality shall not construct any nu wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

61 The Municipality shall not construct any xi wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

62 The Municipality shall not construct any omicron wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

63 The Municipality shall not construct any pi wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

64 The Municipality shall not construct any rho wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

65 The Municipality shall not construct any sigma wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

66 The Municipality shall not construct any tau wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

67 The Municipality shall not construct any upsilon wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

68 The Municipality shall not construct any phi wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

69 The Municipality shall not construct any chi wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

70 The Municipality shall not construct any psi wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

71 The Municipality shall not construct any omega wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

72 The Municipality shall not construct any alpha wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

73 The Municipality shall not construct any beta wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

74 The Municipality shall not construct any gamma wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

75 The Municipality shall not construct any delta wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

76 The Municipality shall not construct any epsilon wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

77 The Municipality shall not construct any zeta wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

78 The Municipality shall not construct any eta wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

79 The Municipality shall not construct any theta wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

80 The Municipality shall not construct any iota wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

81 The Municipality shall not construct any kappa wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

82 The Municipality shall not construct any lambda wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

83 The Municipality shall not construct any mu wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

84 The Municipality shall not construct any nu wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

85 The Municipality shall not construct any xi wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

86 The Municipality shall not construct any omicron wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

87 The Municipality shall not construct any pi wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

88 The Municipality shall not construct any rho wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

89 The Municipality shall not construct any sigma wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

90 The Municipality shall not construct any tau wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

91 The Municipality shall not construct any upsilon wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

92 The Municipality shall not construct any phi wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

93 The Municipality shall not construct any chi wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

94 The Municipality shall not construct any psi wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

95 The Municipality shall not construct any omega wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

96 The Municipality shall not construct any alpha wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

97 The Municipality shall not construct any beta wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

98 The Municipality shall not construct any gamma wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

99 The Municipality shall not construct any delta wire on the site without the previous sanction of the Executive Engineer, Shimoga Division

100 The Municipality shall not construct any epsilon wire on the site without the previous sanction of the Executive Engineer, Shimoga Division
